NPIC Project N-874/64 (partial answer to NSA/P0432/R-98-64)

 high-frequency (HF) communications facility, similar to those previously found at many Soviet MRBM/IRBM launch areas, 1/ is situated 2 nautical miles east-northeast of the Vaike Maarja Launch Area of the Rakvere MRBM Complex.

The facility contains four or five horizontal dipole antennas, under construction, and a centrally located control area consisting of

a control building, a small support building, and an unidentified object. The antennas are oriented as follows :

2-3 horizontal dipoles
2 horizontal dipoles
